Strengthening Participatory Organization (SPO)

SPO is a leading national rights-based civil society organization with its Citizens Voice and Accountability (CVA) initiatives being implemented in over 75 districts of the country. SPO's focus mainly being on state and citizens' engagement for strengthening democratic values, systems, practices and institutions to secure justice, peace and harmony and eradicate conflicts, poverty and gender-inequalities, works with over 3500 countrywide civil society entities comprising human rights, women, minority and youth activists, organizations and networks, mainstream political parties, labour organizations, trade unions, teachers' and media associations, intelligentsia and legislators.

Parallel to the CVA initiatives, SPO also designs and delivers critical service-delivery projects in the remotest and under-privileged areas of the country where there is absence of basic services.

Realizing the gravity of critical emergency situations that focus communities have to intermittently face, SPO also deals with humanitarian emergencies resulting from natural and human-induced hazards including earthquakes, rain-fed floods, cyclones and internal displacement of communities triggered by conflicts.

UDHR and other international human rights covenants are central to SPO's outreach philosophy.
